I hereby signify my willingness to stand for office as candidate for:

I agree, that if elected, I will adhere to the Bylaws and Policies and Procedures of NANOG currently in force and as may be amended by the membership from time to time.

1) Provide a brief biography of recent experience, associations, and affiliations relevant to serving on the NANOG Board of Directors or NANOG Committees. Please be as specific as possible.

I worked at Level 3/Global Crossing for approximately 10 years before joining KVH this past August. KVH is a Japanese-based telco provider, is owned by Fidelity Investments, and is a sister company to Colt in the UK. KVH owns and operates data centers in Japan and other Asian markets.

During my tenure at Global Crossing, I led a sales team that was focused on selling to the ISP and content markets. During this time, I worked with many NANOG members and attended several NANOG conferences.

Having been in the industry for over 20 years, I have an extensive network of contacts. That, coupled with my experience and knowledge of NANOG and the NANOG community, would enable me to be an effective member of the Development Committee.
