As an SE at Eagle Network Solutions, I help enterprises and telcos find the best combination of hardware for their particular situation. I have been actively working in IT full time since 2008 and have worked part time in IT for the better part of my life. One of my past jobs was at a company that produced Trade Shows, conventions and hosted events, where I gained experience in exhibit sales and event planning for the tech division. I also have my JNCIS Certification and am pursuing certifications with Cisco, Arbor, Brocade, Dell and others. I believe that with my unique blend of IT, Sales and event planning I could be a valuable asset to the NANOG Development Committee. Thank you for your consideration.

Sincerely,
