Meet us in Phoenix, Arizona for NANOG 59!

NANOG is traveling to Phoenix, Arizona for NANOG 59! This will be NANOG’s tenth back-to-back meeting with American Registry for Internet Numbers (ARIN XXXII). We will be gathering at the Sheraton Wildhorse Pass. America’s fifth-largest city, Phoenix is the gateway to the Grand Canyon, and its history is a testament to the spirit of pueblos, ranchers, miners and visionaries.

NANOG 59 takes place on October 7-9, 2013 and will offer a great opportunity to network with colleagues, freshen-up skills, learn advanced networking techniques, and discover new network applications. NANOG 59 will be hosted by PhoenixNap!
