Meet us in Washington D.C. for NANOG 69!

NANOG is traveling to Washington D.C. for NANOG 69. We will be gathering at the Grand Hyatt Washington.

Washington D.C. looks its part as America’s capital, with its neoclassical government buildings and broad avenues. D.C. also lives firmly in the present, ranked by Forbes in 2013 as the No. 1 New Tech Hot Spot in America.

NANOG 69 takes place on February 6-8, 2017 and will offer a great opportunity to network with colleagues, freshen-up skills, learn advanced networking techniques, and discover new network applications. NANOG 69 will be hosted by LINX.
