# Meet us in Montreal, Quebec Canada for NANOG 65!

NANOG is traveling to Montreal, Quebec Canada for NANOG 65! This meeting is back-to-back with *DNS Operations, Analyst, and Reserach Center* prior and the *American Registry for Internet Numbers* post. We will be gathering at the Fairmont Queen Elizabeth. Montreal is the largest city in the province, the second-largest in Canada and the 9th-largest in North America. Originally called *Ville-Marie*, or "City of Mary", it is named after Mount Royal, the triple-peaked hill in the heart of the city.

NANOG 65 takes place on October 5-7, 2015 and will offer a great opportunity to network with colleagues, freshen-up skills, learn advanced networking techniques, and discover new network applications. NANOG 65 will be hosted by *Torix!*
